Child Sexual Exploitation & Abuse Online

1. Child Sex Abuse Materials (CSAMs / child pornography) & live streaming of CSAMs
2. Sexual coercion and extortion of children
3. Online grooming of children
4. Unwanted or harmful exposure to pornographic content
In South Asia:

Anecdotally, UNICEF found sexual extortion of children to be widespread amongst peers in schools, and to be a very gendered issue: targeting primarily girls and LGBTI children.

Victims are Not Virtual, 2016
Child Sexual Exploitation & Abuse Online
